

XC Schooling around the recognized track
Prelim / BN

March 20th, 21st & 22nd

\$50 PER HORSE

For three days after our USEA event, we will leave the course flagged and numbered so you may come and school around it. If the footing has deteriorated beyond it being safe for horse and rider – some fences may have to be removed and will be cross flagged

It is VITAL you text ahead to Daisy
(352) 425 – 7767 to reserve your spot – with your arrival time and number of horses

This is to prevent over-booking and pass on any useful information to you about the jumps / footing etc.....

THANK YOU!!
